1. I could tell when I stepped in the room and I saw you stand - ing there,
(Verse 2 see block lyric)

caught in a vibe by the way that you moved I could-n't help the way I stared.

There was some mys-ter - i - ous force lead-ing me here to you. Lead - ing me

Verse 2:

Now it feels like it could be romance
 As we dance across the floor
 Every move that your body makes
 Only makes me want you more.
 And it seems like time's moving fast
 How can we make it last
 Make it last somehow.

As you keep on dancing
 I am hypnotized *etc.*
