no limit in the sky that I won't fly for ya no amount of tears in my eyes that I

7

won't cry for ya oh no-oh with every breath that I take I want you to share that air with me

13

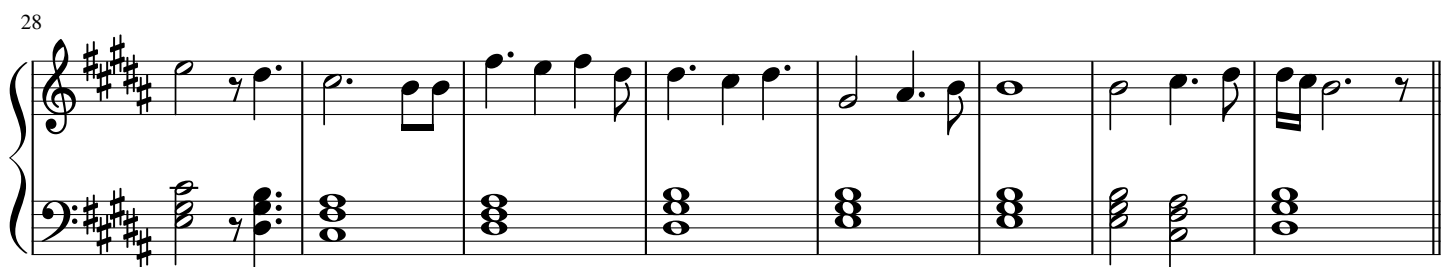

there's no promise that I wont keep I'll climb a mountain there's none too steep when it comes to you

19

there's no crime let's take both of our souls and in - ter - twine when it comes to you

28

don't be blind whatch me speak from my heart when it comes to you comes to you

36

41

when it comes to you cupid ain't a lie arrow got your name on it

47
