Words by Charles Singleton and Edward Snyder

Strangers in the night
Exchanging glances,
Wondering in the night
What were the chances.
We'd be sharing love
Before the night was through.

Something in your eyes
Was so inviting,
Something in your smile
Was so exciting,
Something in my heart
Told me I must have you.

Strangers in the night
Two lonely people we were.
Strangers in the night
Up to the moment,
When we said our first hello.
Little did we know
Love was just a glance away.
A warm embracing dance away

Ever since that night
We've been together,
Lovers at first sight
In love forever
It turned out so right
For strangers in the night.
