Did we leave our way — be - hind — us?

Such a long, long way — be - hind — us. Who knows when, — now who — knows where, —

D.S. al Coda

where the light of day will find us? Look for the day. Take

could not live this way.

Did we leave our way behind us? Such a long, long way

be - hind us. Leave it for some hope - less lane.

Such a long, long way, such a long, long way, such a long, long way -

I'm look-ing for, still look-ing for that day.
